International Image Guided Pain Management Workshop

DESCRIPTION

Interactive workshop with hands-on teaching: participants learn ...
 ... basing on topography and clinical situation of a patient participants how to deal with dorsalgia and musculoskeletal pain driven patients (instillation and conservative therapies)
 ... interventional and conservative pain control by correctly performed instillation therapies under use of state-of-the-art radiological modalities (US, CT)
 ... by workshops under individual tutorial on US-phantoms
 ... by workshops under individual tutorial on anatomical specimens US and CT guided procedures at the whole spine in hands-on manner

PROGRAMM

Friday, 03 June 2016

| | | |
|--------------|--|-----------|
| 09.00-10.00: | Registration | |
| 10.00-10.10: | Introductory Words | |
| 10.10-10.30: | General Aspects on Indicating Image Guided Interventions – A Critical Overview Findings and Modalities: | |
| | “Look, I found pain” | Peer |
| 10.30-10.50: | “Doctor, what can we do about it?” | |
| | Basics 1 – Ultrasound (US) Guided Interventions | Peer |
| 10.50-11.10: | “Doctor, what can we do about it?” | |
| | Basics 2 – Interventions Guided by Computed Tomography (CT) | Widmann |
| 11.10-11.30: | “Doctor, how does my cervical spine look like?” | Brenner |
| 11.30-11.50: | “Doctor, what if I need surgery?” | |
| | Surgical Options and Postsurgical Outcome at the Cervical Spine | Obernauer |
| 11.50-13.00: | “Doctor, I need a coffee-break” Break and Individual Demo of the Spine | |
| 13.00-13.20: | “Doctor, can you show me the cervical spine by US?” | |
| | and Live Demonstration | Loizides |
| 13.20-13.50: | “Doctor, can you help me?” | |
| | Instillations 1: US Guidance at the Cervical Spine | Loizides |
| 13.50-14.20: | “Doctor, can you help me?” | |
| | Instillations 2: CT Guidance at the Cervical Spine | Widmann |
| 14.20-17.00: | “Doctor, I must try myself!”: Hands-On Workshop 1 | |
| 19.30: | “Doctor, I am so hungry!” Evening Event - Dinner in the Imperial Hunting Lodge (Tyrolean Rifle Regiments of the K.u.K. Monarchy) | |

Saturday, 04 June 2016

| | | |
|--------------|---|-----------|
| 09.30-09.50: | “Doctor, how does my lumbar spine look like?” | Brenner |
| 09.50-10.10: | “Doctor, what if I need surgery?” Surgical Options and Postsurgical Outcome at the Lumbar spine and the SI-Joints | Obernauer |
| 10.10-10.30: | “Doctor, can you show me the lumbar spine by US?” | |
| | and Live Demonstration | Gruber |
| 10.30-11.00: | “Doctor, I need a coffee-break”: Break and Individual Demo of the Spine | |
| 11.00-11.20: | “Doctor, can you help me?” Instillations 3: US Guidance at the Lumbar Spine and the Sacroiliac Joint | Gruber |
| 11.20-11.50: | “Doctor, can you help me?” Instillations 4: CT Guidance at the Lumbar Spine and the Sacroiliac Joint | Widmann |
| 11.50-13.00: | “Doctor, I am so hungry!”: Adjustment of Blood Glucose Level | |
| 13.00-13.30: | “Painful Spots and Numb”: US-guided injections in peripheral nerves | De Zordo |
| 13.30-14.00: | “Doctor, they amputated my limb ... now I suffer from pain!” | |
| | US-guided Pain Control in Amputation Stumps | Gruber |
| 14.00-14.30: | “Painful Spots and Numb”: US-guided injections in skeletal system | De Zordo |
| 14.30-15.00: | “Doctor, is there something else but a needle!” | |
| | State-of-the-Art Pain Management with News and Prospects into the Future | Eisner |
| 15.00-17.00: | “Doctor, I must try myself!” | |
| | Hands-On Workshop 2 including Live Demos | |

TARGET GROUP

Doctors-in-Training and Specialists of any medical field with interest in US and/or CT guided dorsalgia and pain therapy.
